C. You may not distribute, publish, or otherwise disseminate the SOFTWARE ACTIVATION Keys to any other persons, organizations, entities, newsgroups, locations, and/or sites whatsoever.

Any supplemental SOFTWARE code, patches, or any other fixes provided to You, as Licensee, as part of the Support Services, shall be considered part of the SOFTWARE and subject to the terms and conditions of this Agreement. ApexSQL may use the technical information that, You, as Licensee, provide to ApexSQL as part of the Support Services for its business purposes, including for product support and development. ApexSQL will not utilize such technical information in a form that personally identifies You, as Licensee, without your written permission.
 10. TERM/TERMINATION. The Agreement becomes effective when You agree to the terms and conditions of this Agreement by opening, installing, using, accessing, or manipulating the SOFTWARE (the

"Effective Date"), and this Agreement will terminate immediately upon notice to You or if You materially breach any term or condition of this Agreement. You agree, upon termination, to promptly destroy the SOFTWARE and all copies thereof.

If you are using the SOFTWARE for evaluation, then You shall have a license under the terms of this Agreement to use the SOFTWARE beginning on the Effective Date for the number of days indicated in the materials which accompany the SOFTWARE (the "Evaluation Period") and solely for the purpose of determining whether to proceed with the purchase of one or more licenses of the SOFTWARE. During the Evaluation Period, the SOFTWARE is provided to You "as is" and Your use of it is entirely at Your own risk. 12. WARRANTY DISCLAIMER. THE SOFTWARE, ANY UPDATES/UPGRADES, AND ALL SUPPORT SERVICES ARE PROVIDED TO YOU "AS IS." APEXSQL MAKES AND YOU RECEIVE NO WARRANTY EXPRESSED, IMPLIED, STATUTORY, OR OTHERWISE, AND APEXSQL SPECIFICALLY DISCLAIMS ANY IMPLIED WARRANTY OF MERCHANTABILITY, NONINFRINGEMENT, AND FITNESS FOR A PARTICULAR PURPOSE WITH RESPECT TO THE SOFTWARE. APEXSQL DOES NOT WARRANT THAT THE SOFTWARE OR SERVICES WILL MEET YOUR REQUIREMENTS OR THAT THE SOFTWARE WILL BE ERROR-FREE. IT IS POSSIBLE THAT THE SOFTWARE WILL

NOT INTEGRATE WITH YOUR PARTICULAR SOFTWARE OR DATABASE. 13. DISPUTE RESOLUTION. Any dispute, controversy, or claim whatsoever that You may have against ApexSQL including those disputes, controversies, or claims arising out of Your use of the SOFTWARE, this Agreement, or the Support Services, shall be resolved individually, without resort to any form of class action, exclusively by arbitration pursuant to the commercial arbitration rules of the American Arbitration

YOUR SOLE AND EXCLUSIVE REMEDY FOR ANY DISPUTE WITH APEXSQL RELATED TO THIS AGREEMENT OR THE SOFTWARE, OR SUPPORT SERVICES SHALL BE CANCELLATION OF THE SOFTWARE LICENSE AND SERVICES. IN THE EVENT A COURT AWARDS DIRECT DAMAGES DESPITE THE FOREGOING, SUCH DAMAGES SHALL NOT EXCEED THE AMOUNT YOU PAID FOR THE SOFTWARE.

15. **REPRESENTATION, AUTHORITY AND INDEMNITY.** You agree to hold harmless, indemnify and defend ApexSQL, its officers, directors and employees, from and against any losses, damages, fines and expenses (including attorneys' fees and costs) arising out of or relating to any claims that you have violated any terms of this Agreement or used the SOFTWARE in a manner that violates any law. If You have entered into this Agreement on behalf of (or to facilitate the use of the SOFTWARE by) a Company of which You are an employee or agent, You represent and warrant that You have the full corporate right, power and authority to enter into this Agreement on behalf of the Company, that this Agreement has been duly authorized by the Company and that this Agreement will constitute the legal, valid and binding obligation of the Company, enforceable against the Company in accordance with its terms. You hereby agree to indemnify and hold ApexSQL harmless from any and all claims, damages, losses and expenses (including, without limitation, attorneys' fees) arising from any breach of this section on Authority and Indemnity. ApexSQL hereby represents and warrants that it has the right to grant this license to you and that the granting of this license will not infringe the intellectual property rights or proprietary rights of any person or entity and it shall defend, indemnify and save You harmless from and against any liability arising out of or based on any claim demand or action alleging that your use of the SOFTWARE within the scope of this Agreement infringes the copyright, patent, or trademark of a third party.

16. **U. S. GOVERNMENT END USERS.** The SOFTWARE and documentation are provided with RESTRICTED RIGHTS. Use, duplication, or disclosure by the Government is subject to restrictions as set forth in subparagraph (c)(1)(ii) of the Rights in Technical Data and COMPUTER SOFTWARE clause at DFARS 252.227-7013 or subparagraphs (c)(1) and (2) of the Commercial COMPUTER SOFTWARE-Restricted Rights at 48 CFR 52.227-19, as applicable. Manufacturer is ApexSQL, LLC Chapel Hill, NC 27517 USA.

17. **EXPORT LAW.** The SOFTWARE and related technology are subject to U.S. export control laws and may be subject to export or import other countries. You agree to strictly comply with all such laws and regulations and acknowledge that You have the responsibility to obtain such licenses to export, re-export or import as may be required. You will not, directly or indirectly, export or transfer the

SOFTWARE to any county in which transmission is prohibited by applicable stature. Your failure to comply with this provision is a material breach of the terms of this Agreement.

18. HIGH RISK ACTIVITY. You acknowledge and agree that the SOFTWARE is not intended for use with any high risk or strict liability activity, including, but not limited to, air or space travel, technical building or structural design, power plant design or operation, life support or emergency medical operations or uses, and that ApexSQL makes no warranty and shall have no liability arising from any use of the SOFTWARE in any high risk or strict liability activities.

19. APEXSQL'S RIGHT TO TERMINATE OR MODIFY TERMS OF THIS AGREEMENT. ApexSQL may modify the Terms of this Agreement upon notice to you at any time. ApexSQL may provide notice to you of any such modification by e-mail or by publishing the changes on its Web site. In the event that ApexSQL modifies the terms of this Agreement, you may terminate your use of the SOFTWARE. ApexSQL may also terminate your right to use the SOFTWARE and/or support services at any time for any reason should You fail to comply with the terms of this Agreement. Without limiting the prior sentence, your right to use the SOFTWARE will automatically terminate if you fail to comply with any term or provision of this Agreement. No notice shall be required from ApexSQL to effect such an automatic termination. Upon any termination of your right to use the SOFTWARE, you shall immediately discontinue use of the SOFTWARE.

20. GENERAL.

A. Governing Law/Jurisdiction. This Agreement will be governed by the laws of the State of North Carolina in the United States of America, without regard to or application of any conflicts of law rules or principles. The federal and state courts for Chatham County, North Carolina shall have exclusive jurisdiction over any disputes, claims or controversies arising out of or relating to this Agreement brought by or on behalf of ApexSQL, and You hereby irrevocably waive any objection to the jurisdiction of such courts over any such dispute, claim or controversy ApexSQL may assert against You. You agree that you are bound by the Dispute Resolution provisions of Section 13 hereof, however, should such mandatory arbitration provision be invalidated by any court for any reason, you hereby agree to bring any actions related to the terms of this Agreement, the SOFTWARE or the Support Services exclusively in state courts located in Chatham County, North Carolina. The terms of this Agreement will not be governed by the United Nations Convention of Contracts for the International Sale of Goods, the application of which is hereby expressly excluded.

B. Complete Agreement. If any provision of this Agreement is held to be unenforceable, that provision will be enforced to the extent permissible by law and the remaining provisions will remain in full force. This Agreement is the complete and exclusive statement of the agreement between You and ApexSQL which supersedes any proposal or prior agreement, oral or written, and any other communications between You and ApexSQL in relation to the subject matter of this Agreement.

C. Injunctive Relief. To the extent that you have breached or have indicated your intention to breach these Terms of this Agreement in any manner which violates or may violate ApexSQL's

intellectual property rights, or may cause continuing or irreparable harm to ApexSQL (including, but not limited to, any breach that may impact ApexSQL's intellectual property rights, or a breach by reverse engineering or decompiling), ApexSQL may seek injunctive relief, or any other appropriate relief, in any court of competent jurisdiction. If You breach Your obligations with regards to ApexSQL's intellectual property rights, decompiling, or reverse engineering, You agree that ApexSQL would suffer irreparable harm for which it would be difficult to determine damages and for which money damages alone would be an inadequate remedy for the injuries suffered, and You agree that ApexSQL shall be entitled to injunctive relief to enforce its rights with respect to its intellectual property rights, decompiling, or reverse engineering, without any requirement that ApexSQL submit proof of the economic value of its intellectual property or post a bond or any other security.

- D. No Assignment. The SOFTWARE is personal to You, and may not be assigned or transferred without ApexSQL's written consent.
- E. Third party programs. The SOFTWARE may contain third party software programs ("Third Party Programs") that are available under open source or free software licenses and distributed, embedded or bundled with the SOFTWARE or recommended in connection with its installation and use. This License Agreement does not alter any rights or obligations You may have under those open source or free software licenses. Notwithstanding anything to the contrary contained in such licenses, the disclaimer of warranties and the limitation of liability provisions in this License Agreement shall apply to such Third Party Programs.
- F. Acceptance of Agreement. The Licensee will be deemed to have accepted the terms of the EULA by installing the SOFTWARE onto any COMPUTER or INSTANCE.
- G. Revisions to Terms. The Licensor reserves the right to revise the terms of the EULA by updating the EULA on its website and in updated versions of the SOFTWARE. The Licensee is advised to review the EULA for each new version of the SOFTWARE. The Licensee's continued use of the SOFTWARE shall be deemed to constitute acceptance of any revised terms.

If You have any questions regarding this Agreement or the SOFTWARE, please contact the party that supplied the SOFTWARE to You.

21. APPLICATION PROGRAMMING INTERFACES (APIs) REDISTRIBUTION.

- A. API Redistribution Provisions. If you have licensed any ApexSQL API program and you redistribute the API redistributable files, you agree to the following additional provisions.
 - i) You distribute the redistributable Files only in conjunction with and as part of your SOFTWARE application products(s)
 - ii) You remain solely responsible for support, service, upgrades, and technical or other assistance relating to redistributable Files

- iii) You do not supply any means by which an END USER can incorporate the SOFTWARE or portions of which into their own products
- iv) You do not use ApexSQL's name, logo, or trademarks to market a SOFTWARE application product without ApexSQL's written permission
- v) You include a valid ApexSQL copyright notice on your SOFTWARE
- vi) You indemnify, hold harmless, and defend ApexSQL from and against any claims that arise or result from the use and distribution of your SOFTWARE application product as per Clause 14 of this agreement
- vii) You will ensure that all third party licensees of the Licensed Products comply with the terms of this EULA
- viii) You will not use the SOFTWARE to manufacture or distribute a product that is substantially similar to or competes with ApexSQL's SOFTWARE.

B. API Redistribution Licensing. Certain ApexSQL API SOFTWARE programs may require a redistribution license to license the SOFTWARE on additional INSTANCES. Additional Redistribution Licenses of ApexSQL API's may be based on a royalty schedule. The number of redistributable licenses is determined at time of purchase.

A non-royalty free API that requires a redistribution license is licensed per INSTANCE. Each license of this API product will entitle the USER to connect to, develop on, or implement on one (1) SQL Server INSTANCE. Additional/Redistribution Licenses in excess of one (1) shall require a Redistribution license. A royalty-free API does not require a redistribution license.

22. DECOMPILATION AND/OR REVERSE-ENGINEERING

If You have decompiled and/or reverse engineer the source code for any ApexSQL product or directed others to do so, on Your behalf, You are subject to the following provisions

- A. Because damages may be hard to predict, You agree that ApexSQL will suffer liquidated damages in the amount of fifty-thousand dollars (\$50,000.00) from each separate breach, by You, of ApexSQL's intellectual property rights, or Your obligations regarding decompiling or reverse engineering referenced above. The parties agree that these liquidated damages are not a penalty, but are a reasonable approximation of ApexSQL's damages arising from the breach.
- B. Additional acts that are equivalent to the above include, but are not limited to, viewing intellectual property obtained by the above methods, transmitting said property via email, uploads or other means, and saving said property onto computers, servers or other file storage systems.

- C. Liability may be assigned personally to You and/or to a corporate entity, at the sole discretion of ApexSQL, based, in part, on the personas, means and methods used to obtain, process and/or transmit said intellectual property

- D. The penalties specified in this license agreement do not limit or restrict ApexSQL's additional or future rights in anyway nor do they preclude ApexSQL from seeking criminal, as well as civil, penalties based on the nature of the infringement(s) and relevant jurisdictional considerations.

Appendix A – Notes on Activation

License Grant for Remote Desktop and Virtualization. You may use remote access and virtualization technologies, such as the Remote Desktop features in Microsoft Windows, Terminal Services, NetMeeting or similar; telnet and similar protocols and/or tools; VMWare or similar; to access and use your licensed copy of the SOFTWARE, provided that only the primary USER of the device hosting the remote desktop session accesses and uses the SOFTWARE with a remote access device. These remote desktop rights do not permit you to use the SOFTWARE on both the device hosting the remote desktop session and the access device at the same time.
